1960

Catholicon

Catholic Central High School
Troy, New York

In the Flowering

As SENIORS.....14
we developed a sense of maturity and responsibility which will aid us when we enter the world as Catholic adults, pp. 15-69.

As SCHOLARS.....70
we flowered in wisdom and knowledge which will help us to lead richer and fuller lives. We present our faculty and classes, pp. 72-87.

As PARTICIPATORS.....88
we learned to develop the whole man and thus to gain the poise and self respect which we shall need to enter the world as Catholic citizens. We present Outdoor Shots of our activities on our school grounds, pp. 90-91; our participation at the first annual Ring Ceremony, pp. 92-93; "Rosemarie," our attempt to provide good entertainment for our parents and friends, pp. 94-95; our participation at the Christmas assembly and traditional Christmas Mass, pp. 96-97; the Senior Ball

of

Our Youth

where we danced in a winter wonderland, pp. 98-99; our Senior Show where all seniors came to know each other a little better, pp. 110-111; the Triune and Catholicon staff, pp. 102-103; the May Procession where we crowned our Mother, the Mystical Rose, pp. 106-107.

As VICTORS.....108
and as losers we grew in the ways of good sportsmanship and fair play on the football field, pp. 110-113; on the basketball court where we captured the Diocesan Championship, pp. 114-121; on the baseball diamond, pp. 122-123; and from the examples set by our Cheerleaders and by the Riding Club p. 124.

We thank our
BENEFACTORS 125
who aided us by being Personal Patrons, pp. 126-127; Business Patrons, pp. 128-129; and Advertisers, pp. 130-175.

In this, the 1960 Catholicon, we have tried to manifest the theme, the Flowering of Youth, under the eternal vigil of Mary, Mystical Rose.

For as the rose is rooted in fertile soil, so has our education been to us . . . a rooting of the Catholic foundation upon which our future lives would be based. Today, comparable to the blossomed bud, we have realized the flowering of life; one day, further, we shall witness the yield of the developed flower, the fruit of our education.

The following pages will illustrate "the flowering of youth," as the future will realize the fruit of the blossom. The cultivation of the flower has been effectuated by the guidance of Rosa Mystica and her inspiration and vital role in our social activities, our education, our sports, as well as, in the individual daily life of every student of Catholic Central High School.

At FAREWELL CEREMONY . . . Nancy O'Connor, representing the journalism staff, presents a special "Father Janis" supplement of the Triune to Father, while Senior Prefect Tom Conroy presents a spiritual bouquet.

On the Silver Jubilee
of
his ordination
to
the Holy Priesthood . . .

We Dedicate .

We, the Class of 1960, dedicate our yearbook, the Catholicon, to our friend, our adviser, and our former principal, the Rev. Francis G. Janis, principal of Catholic Central High School from 1955 to 1959.

CONGRATULATIONS . . . Father Janis' mother, Mrs. Maria Janis, congratulates Father on his new position in St. Mary's, Amsterdam.

AT HIS FIRST CHRISTMAS ASSEMBLY . . . as principal, Father Janis receives a spiritual bouquet from Bill Anslow, December, 1955.

AT HIS LAST ASSEMBLY HERE . . . a handshake from the new principal, Father Keefe, to Father Janis at farewell ceremony in Msgr. Burns Gymnasium, November 13, 1959.

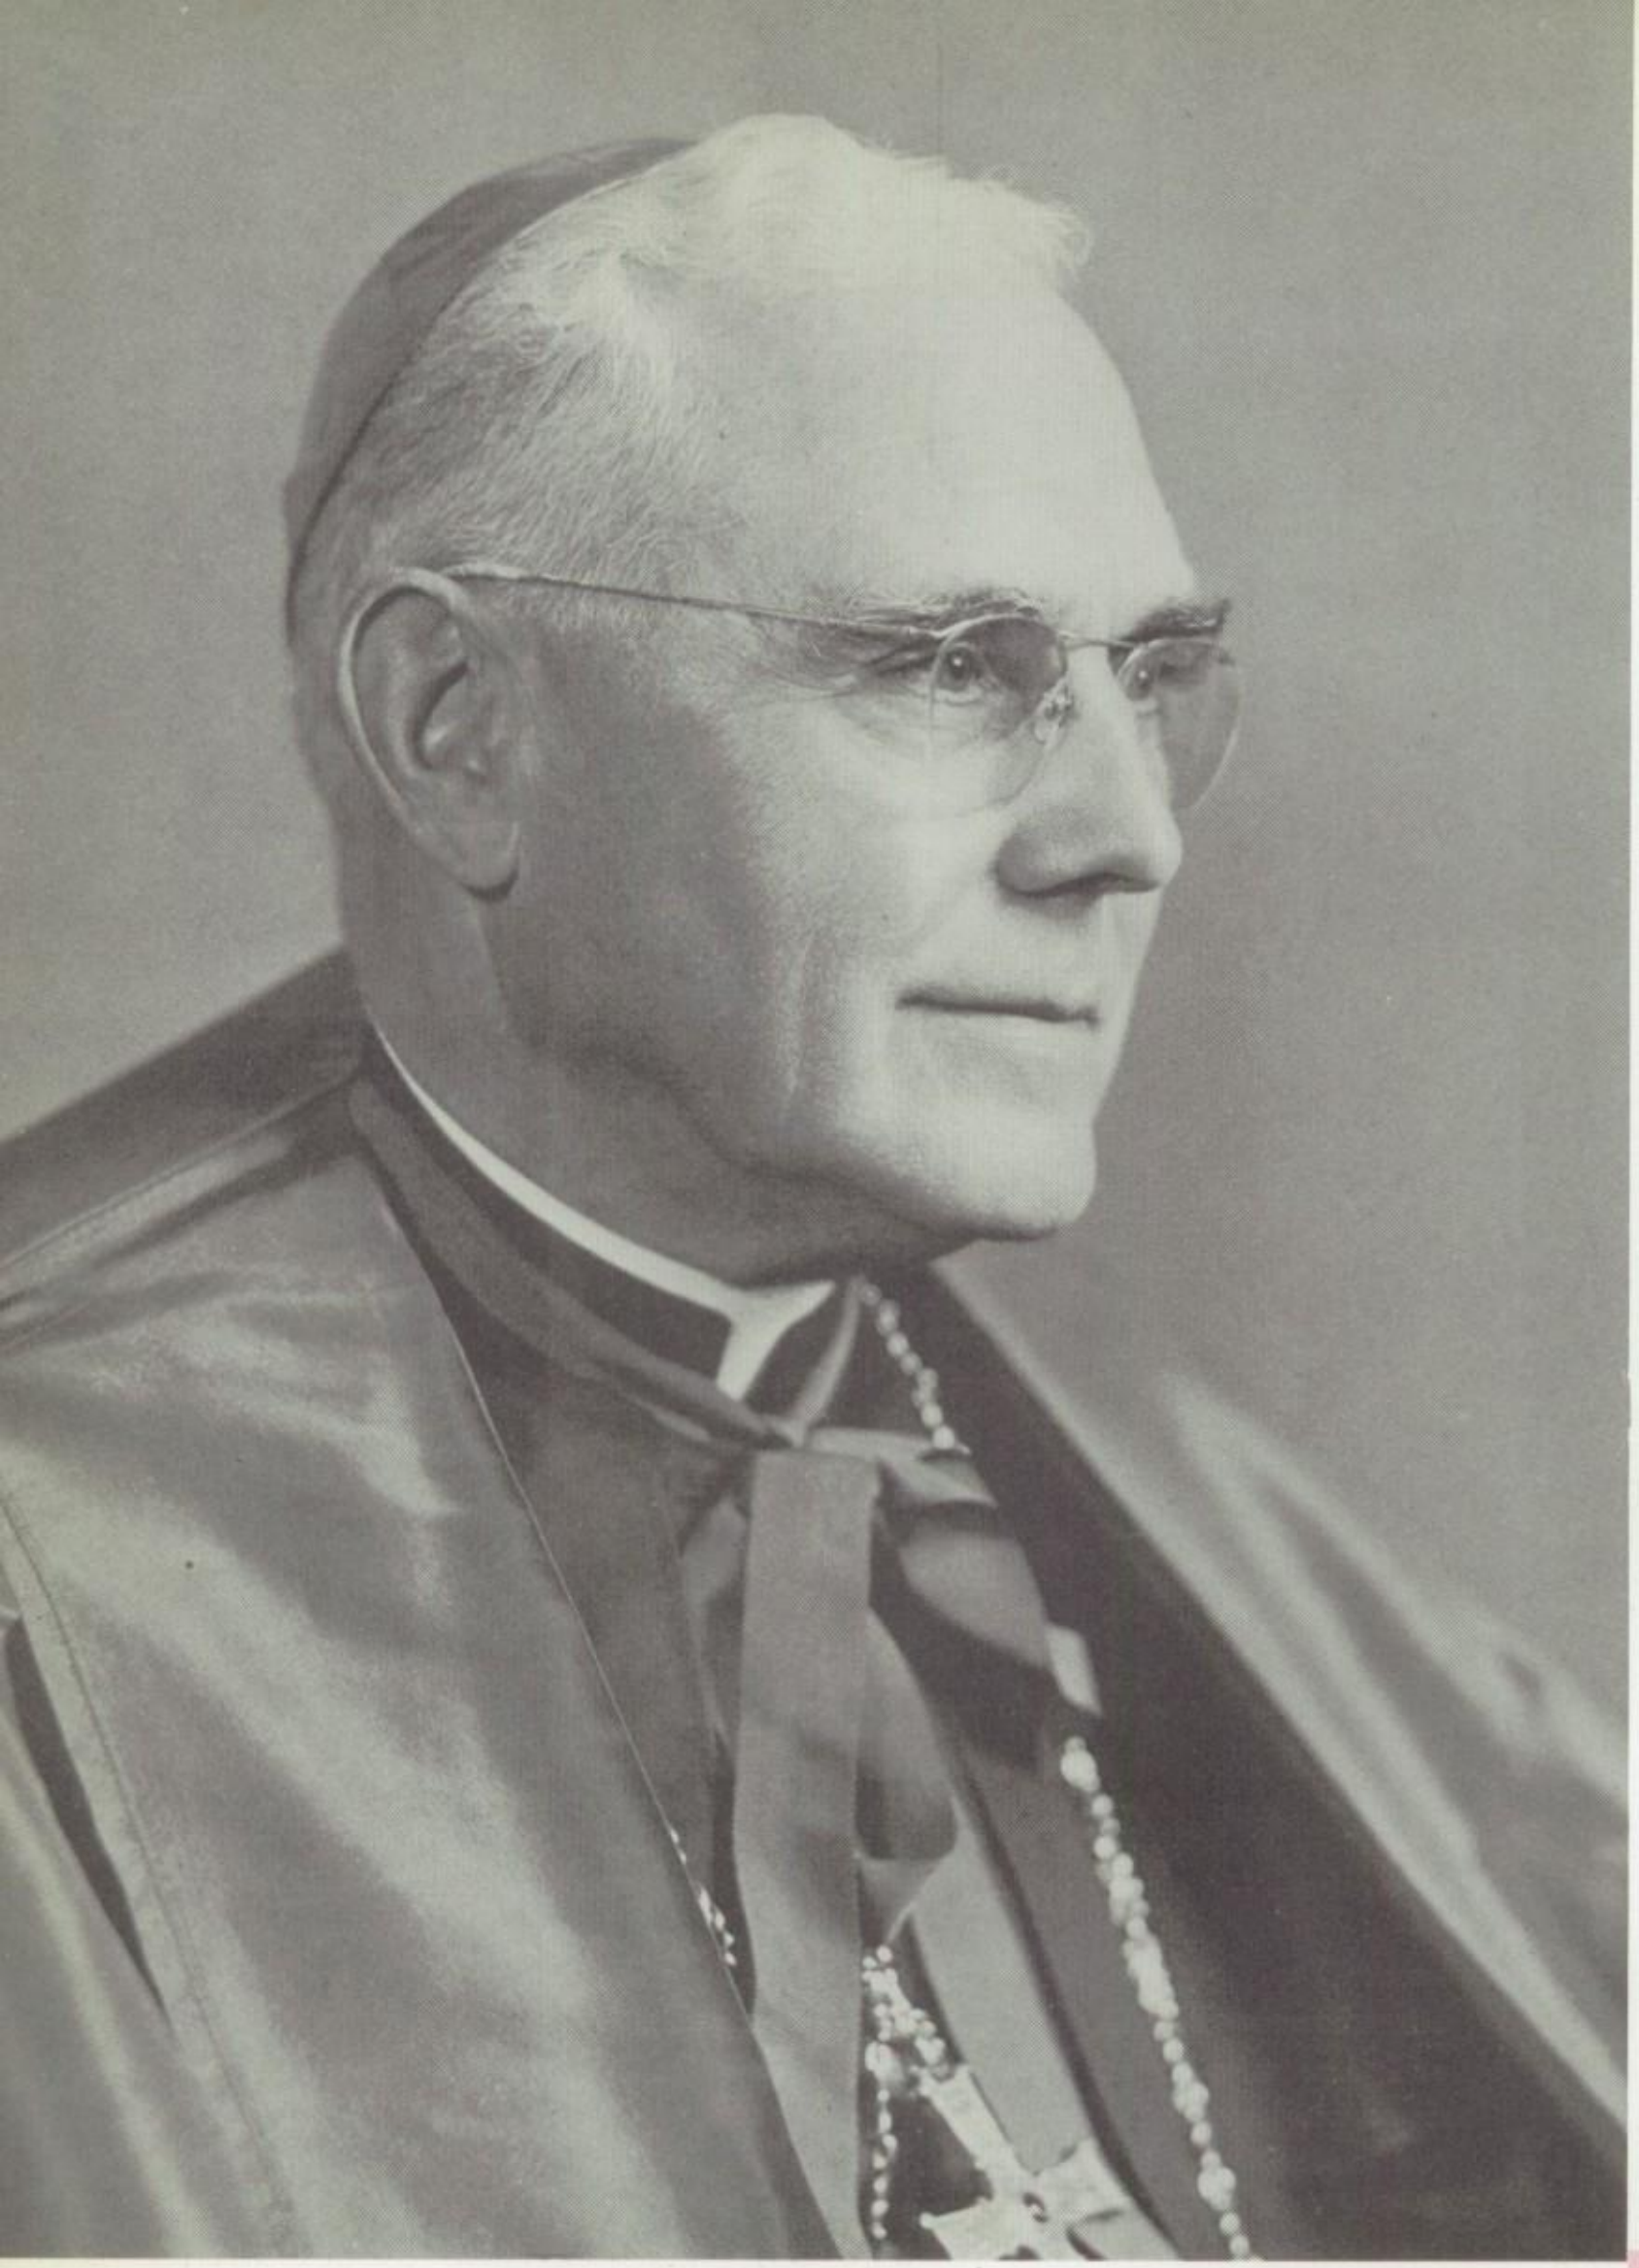
In commemoration of the Silver Jubilee of Father Janis, our former principal, we reminisce concerning his twenty-five years at Catholic Central High School.

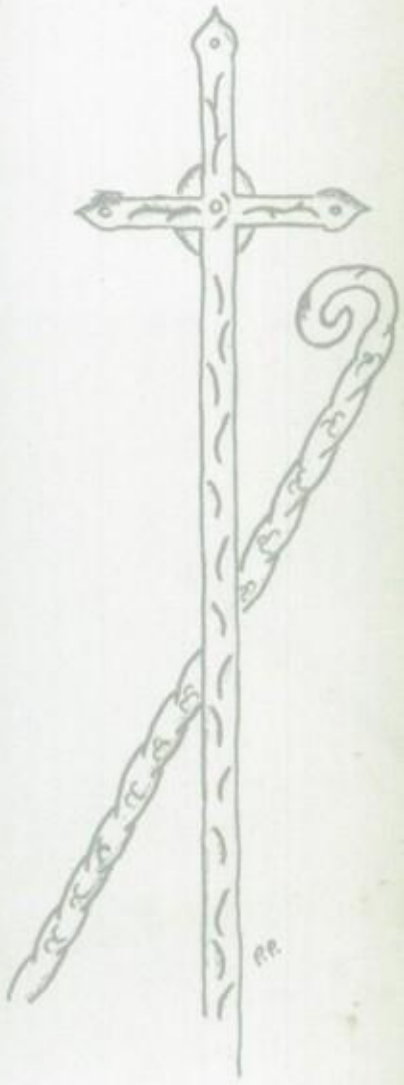
In 1935, shortly after his ordination, Catholic High welcomed Father as a member of the faculty. For the next thirteen years Father taught Religion and Senior Apologetics. He was named vice-principal in 1948 by his Excellency, the Most Reverend Edmund F. Gibbons. Father Janis continued to hold this position until November, 1955, when he succeeded the Right Reverend Monsignor T. Gerald Mulqueen as principal.

Father Janis became chaplain of St. Joseph's Seminary in 1950, a position which he retained until 1955. During the past fifteen years he has supervised the summer catechetical school at Brant Lake, New York.

While he was principal, Father Janis inaugurated many innovations at Catholic High. The Blessed Sacrament was first exposed and Mass said at Notre Dame Hall in October, 1956. This chapel privilege was granted by extraordinary permission of Bishop Scully. In 1957, the Monsignor Burns Gymnasium and Cafeteria were completed. It was here that weekly record hops began in 1957. Father Janis was responsible for First Friday Mass and Communion during the school day and the recent renovation of the Sodality of Our Lady to make it once more a main feature of student life.

We are grateful to him for showing us the way by giving us the opportunities that have been most beneficial to our lives spiritually and intellectually as Catholic students.

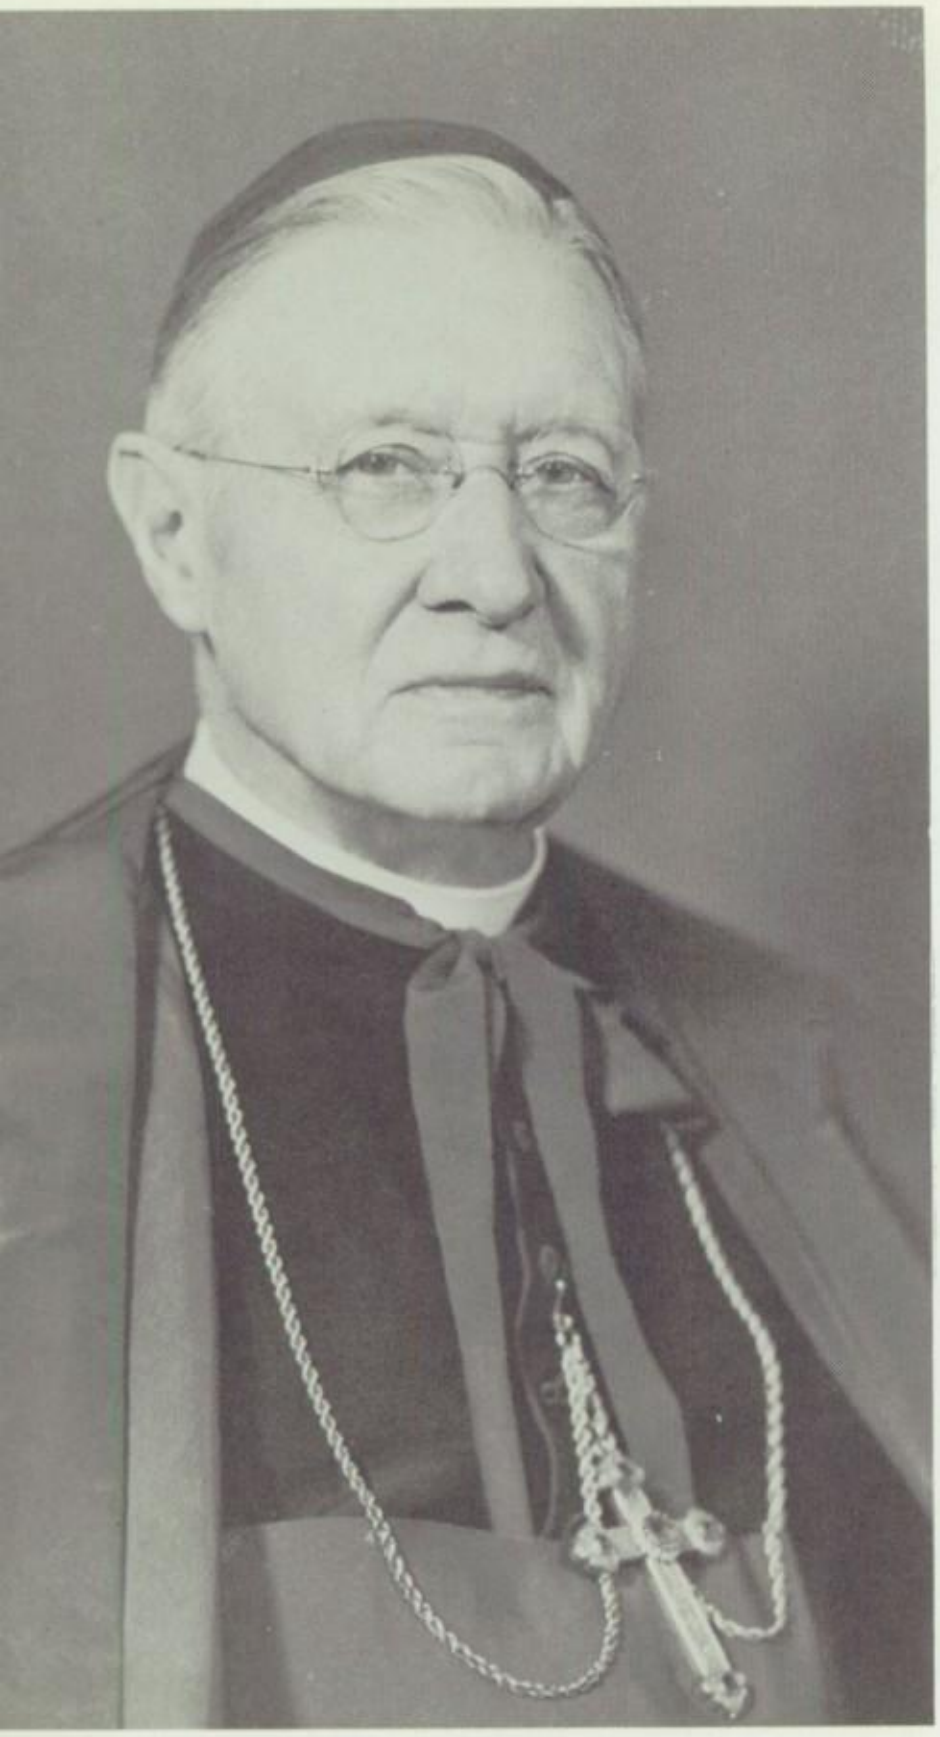




THE MOST REVEREND WILLIAM A. SCULLY, D.D.

BISHOP OF ALBANY

". . . and He commanded them that they should take nothing for the way, but a staff only" (MARK, VI, 7-11). During his episcopacy, his excellency has taken that staff, the crosier, and has guided us to the Truth and the Light we seek in the flowering of our youth.



THE MOST REVEREND
EDMUND F. GIBBONS, D.D.
THE TITULAR BISHOP OF VERBE

The students of the diocese owe to Bishop Gibbons their heartfelt gratitude and filial devotion for the inspiration he has bestowed on all who seek The Way through education. "Go therefore, and teach ye all nations . . ." This precept Bishop Gibbons has observed in establishing Catholic Central High School.

THE MOST REVEREND
EDWARD J. MAGINN, D.D.
AUXILIARY TO THE BISHOP OF ALBANY.

The invaluable aid extended by Bishop Maginn to his superiors has benefited both clerical and lay apostles of the diocese as we follow the quest for truth in these years of growth in grace and wisdom. "Where humility is, there also is wisdom . . ." (Proverbs II, 2).

THE REVEREND JOHN A. KEEFE
PRINCIPAL

Joyfully have we welcomed Father Keefe as new principal of Catholic High. Since his appointment to the faculty in 1956, he has given unselfishly and untiringly of himself.

Father taught senior religion from September, 1956, until March, 1957, when he was appointed vice-principal. While vice-principal, Father introduced many innovations for the management and maintenance of the school.

His wisdom and guidance were invaluable aids during our senior year. As a teacher he was inspiring; as an advisor, he was discerning; and as our class moderator, he was most generous and helpful.

Our heartfelt thanks go to Father Keefe. We pray that God will bless and guide him as he carries out the duties of his new office.

THE REVEREND JOSEPH F. OATHOUT
VICE-PRINCIPAL

Catholic High welcomed a familiar face to the office of vice-principal this year. Father Oathout, a graduate of Catholic High, joined the faculty in 1956.

Father was assigned to Notre Dame where he taught the Freshman boys. He was appointed as director in September, 1959, and served in that capacity until his appointment as vice-principal this year.

Many of us came to know Father as an efficient teacher during our sophomore year when he taught religion in the main building.

Following his promotion to vice-principal, a position which he capably fills, we have seen even more clearly the qualities which make Father such a devout priest.

Our prayers and good wishes for success in his new venture are with Father.

Mystical Rose . . .

we, thy children, grow

in grace and wisdom

under the influence

of thy Eternal Youth.

Buoyant, brown-eyed Sandy . . . Father Keeshan's homeroom, most remembered . . . likes attending proms.

Death came early to the class of 1960. On January 3, 1957, only a few months after her entering Catholic High, Ruth Ann Lashway went to her eternal reward with four other members of her family. Those of us who knew Ruthie will long remember her smiling eyes, cheerful face, and considerate ways.

In Memoriam

With burdened hearts the Class of '60 learned of the death of their classmate, Frances Harrigan, in March, 1959. Frannie was with our class for two and a half years, during which time she participated actively in both class and school functions. Her departure has left a prominent void in the life of everyone who had come to know her.

Girls...

interested in a job after graduation?

If we were looking for a symbol of the telephone business, it would be the telephone operator. She is our first line of communications, important to the functions of her community and to the welfare of our nation. Operators have saved lives, prevented crimes and averted disaster by their expert handling of important calls. And in her normal, everyday work, she is the key person in the business and social activity transacted by phone.
